

A photograph of a dark, narrow hallway. A bright light source at the far end creates a strong, vertical beam of light that illuminates the floor and the walls. The light creates a cross-like shape on the wall at the end of the hallway. The text "Luz como herramienta de alteración del espacio." is overlaid in yellow.

**Luz como herramienta de
alteración del espacio.**

Luz directa

Luz in-directa

Luz difusa

Luz Rasante
