

UNIT 2: DEVELOPING IDEAS

FINAL UNIT TASK

STUDENT B

INSTRUCTIONS

1. For homework, **listen to the recording about Komodo dragons at home**, before next class. You can listen to it as many times as you want.
2. **Take notes** about the information in the Listening Notes box below. Provide the required information in your notes.
3. **Bring these notes to the next class** because you will use them to tell your partner about volcanoes.
4. Include all the information in your notes when you tell your partner. You will **talk for about 40-60 seconds**. Use your notes for reference but **try not to read**. Try to talk.
