

EL3005: Señales y Sistemas I

I.1 Introduccion

Jorge Silva

Señales a tiempo Continuo

Señales a tiempo Discreto

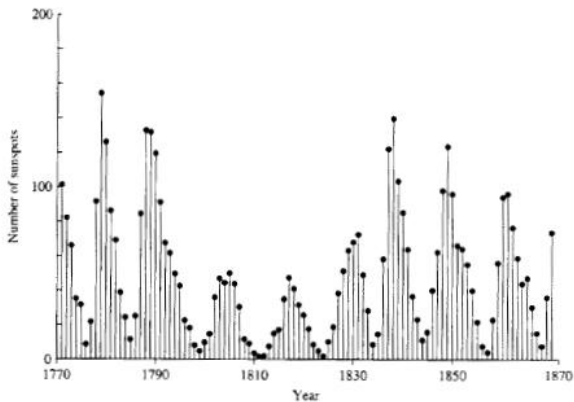

Figure 1.7 Wölfers annual sunspot numbers (1770–1869).

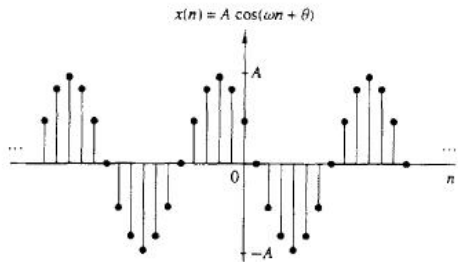

Señal Sinusoidal discreta frecuencia $f = \frac{1}{12}$ 

Figure 1.12 Example of a discrete-time sinusoidal signal ($\omega = \pi/6$ and $\theta = \pi/3$).

Funciones Sinusoidales Discretas
