**Paso 1: Ir a la página de licencias académicas.**

To request a free academic license, please read and accept the End User License Agreement.

End User License Agreement ([View in PDF](#))

I accept the End User License Agreement:

Conditions for the use of an Academic License: An academic license may only be used by a faculty member, a student, or a member of the research or administrative staffs of a degree-granting academic institution. The code may be used only for research and educational purposes.

Access for commercial purposes is forbidden.

I accept these conditions:

**We urge academic users to upgrade to the latest version of Gurobi Optimizer.** Some features, such as `grbgetkey`, may not work correctly in older releases.
