

INTEGRAL CINEMA

(BECAUSE IT INTEGRATES EVERYONE)

Who doesn't like movies?

97% of the Beauchef community enjoy movies at least once a week. But they want more, and a place close to them to do so ...

We heard them and gave them what they wanted, a movies day for Beauchef and in Beauchef!

The Integral Cinema, an activity for every member of our faculty brings the movies that YOU want to YOUR place of work and study!

So gather your friends, teachers, lovers ... everyone! and jump into the next era of cinema!

Join us! We are a couple of students who love movies and want to take it to the next step! We strongly believe that cinema has a strong socio-cultural effect!

For this activity people will vote in U-Cursos using the organized group platform during two instances:

- MOVIE PROPOSAL: FRIDAY TO SATURDAY
- MOVIE SELECTION: MONDAY TO TUESDAY
- PRESENTATION DAY: WEDNESDAY 12:00HRS

Room selection for the projection is based on attendance.

Every session will have a Host who will lead the activity

BUT WHY SHOULD WE DO THIS ACTIVITY?

Because everyone wins! Universities that have implemented this kind of activity have:

- Increased workers morale and productivity.
- Reduced stress across all levels.
- Increased students participation in extra curricular activities

THE RULES
