

Have you ever...

- ...gotten lost when looking for a classroom?
- ...been late for a meeting with a teacher because you couldn't find the office?
- ...wasted a lot of time looking for a restroom?

We have as well, so we have created a solution for you.

What is it?

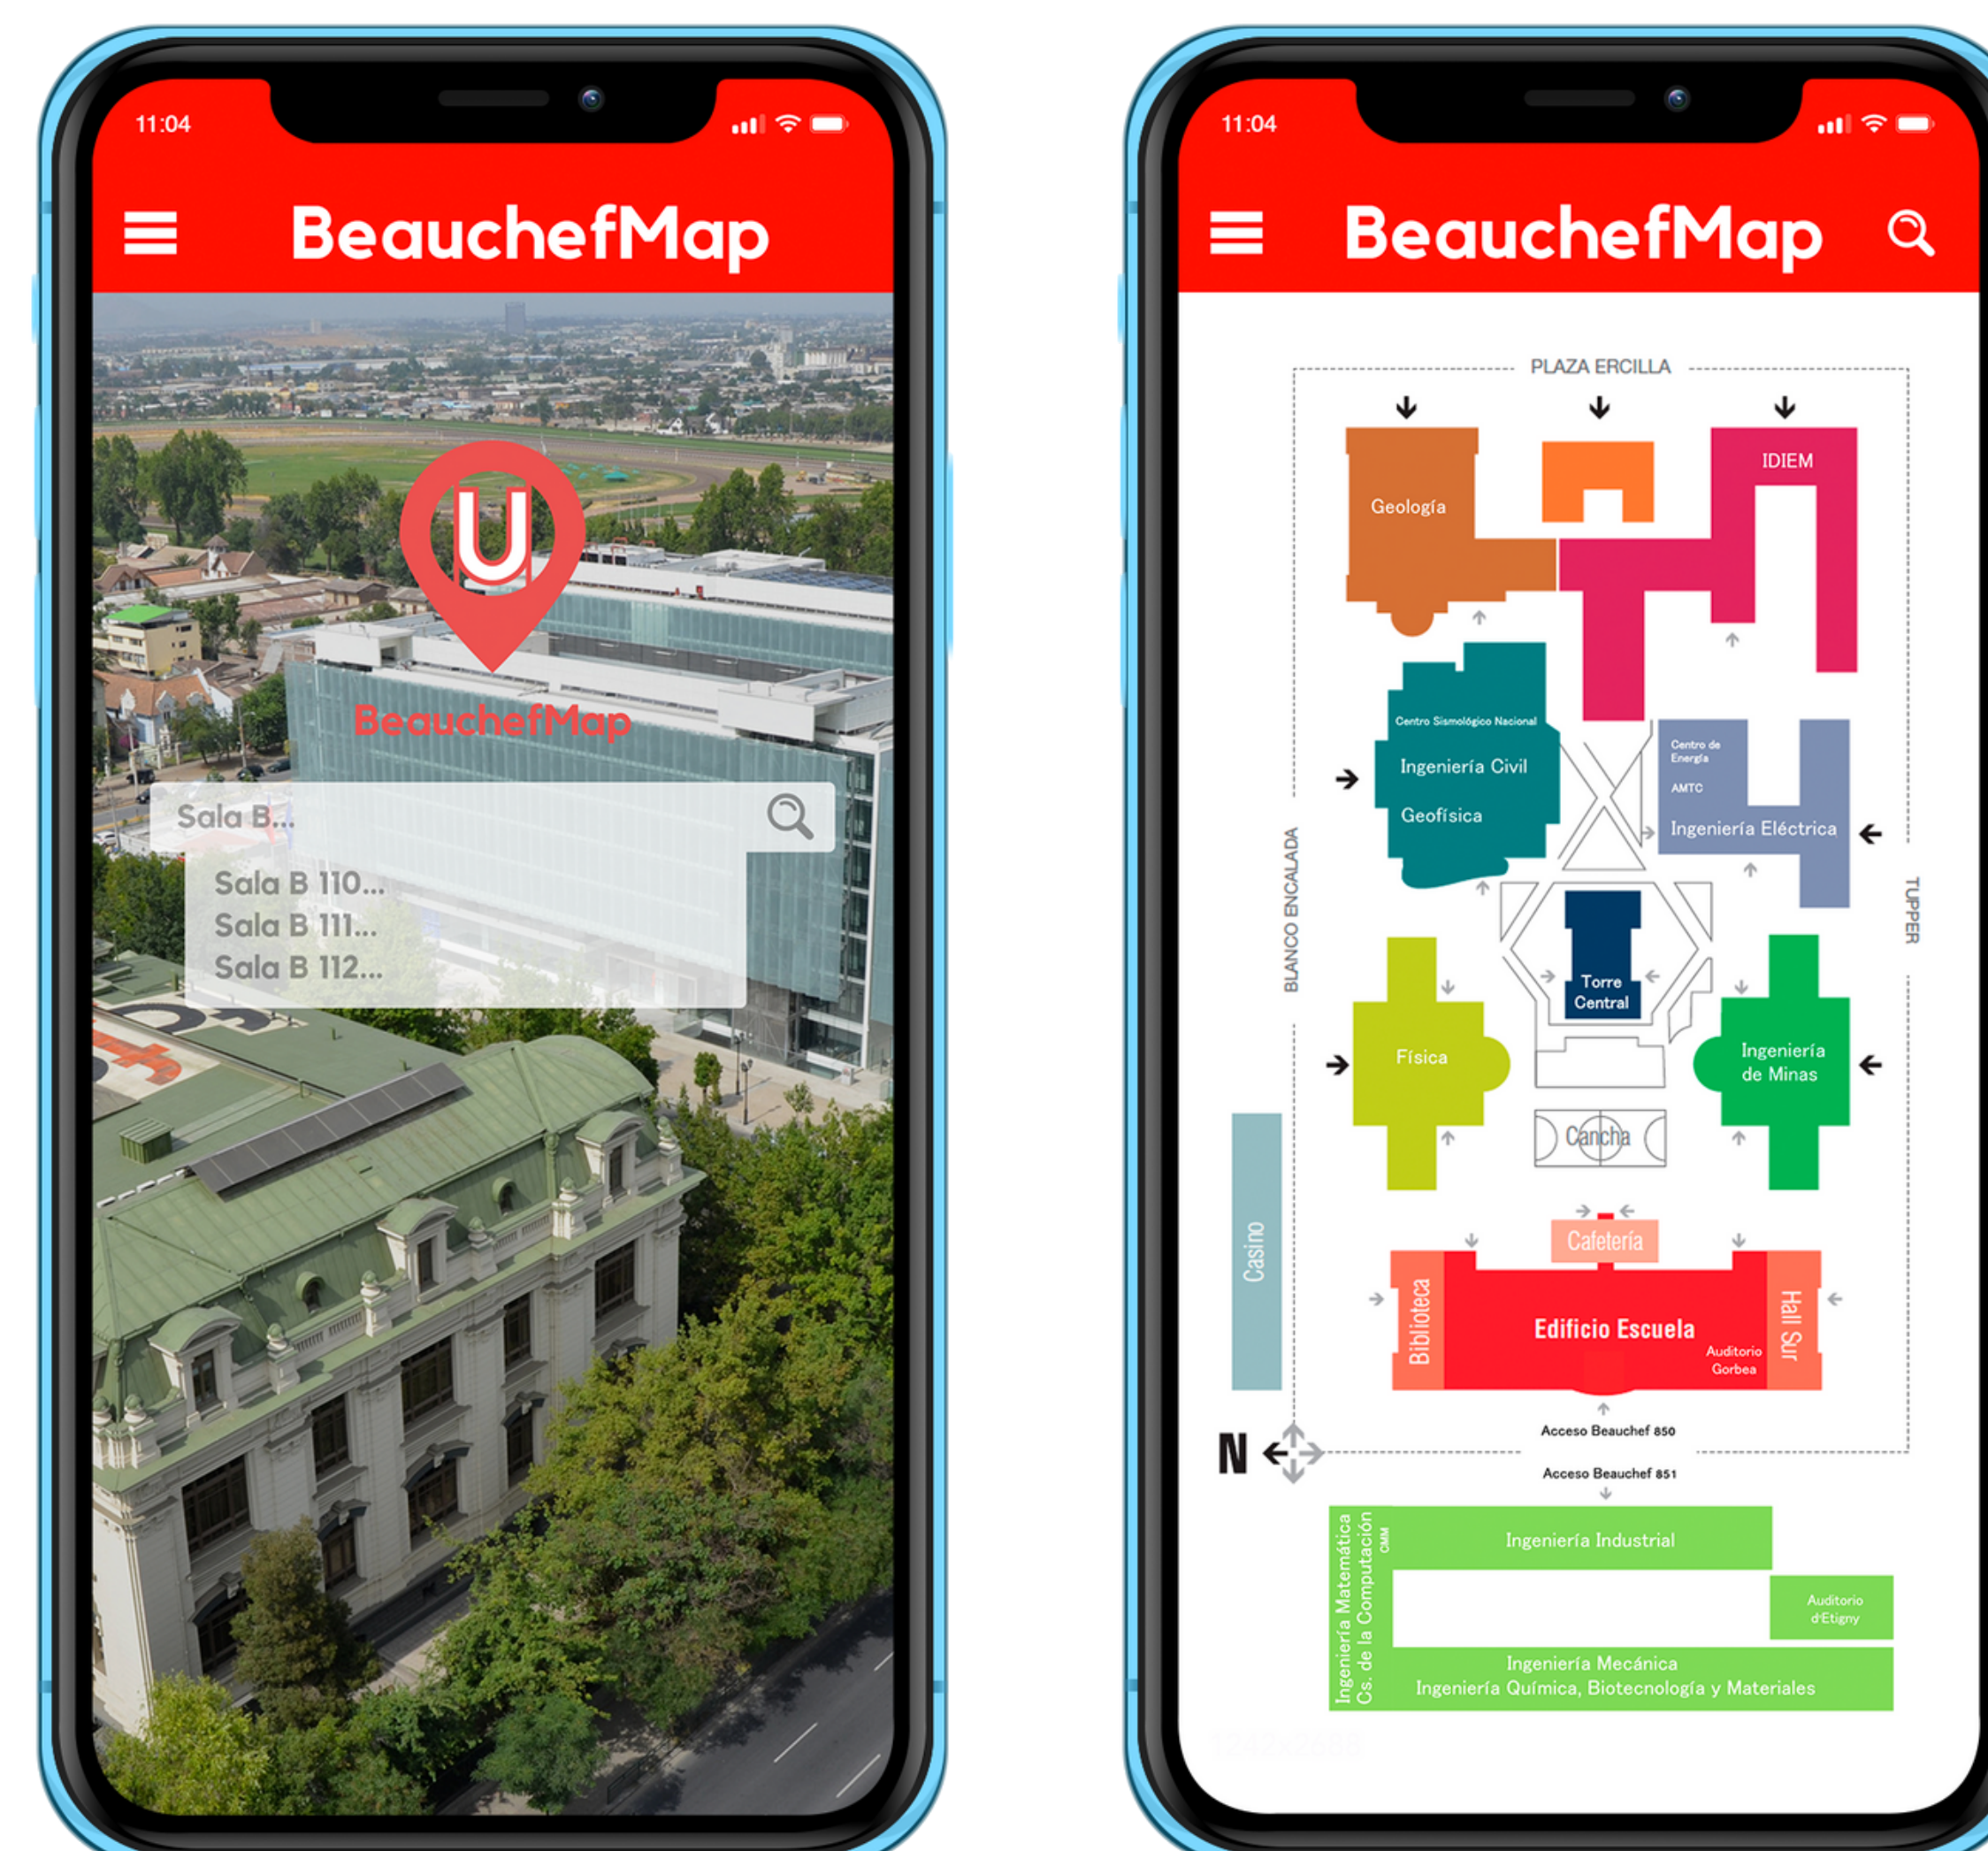

BeauchefMap displays the classrooms, restrooms, elevators and all important spots in campus. Everything in one single interactive platform where you can look up offices, and other places in a user-friendly manner. Linked to U-cursos it'll show you the spots you might need.

Open to all community members.

What do you get?

- Time saving.
- Feeling comfortable in campus.
- Getting to know the whole university.
- Make the most of campus.

Testimonies...

I used to spend a lot of time searching for my classrooms and now with BeauchefMap everything's easier.

Ever since I started to use BeauchefMap I'm making the best of my time and I have found the best place to study!

About us...

We are a team of Beauchef students who wanted to make people comfortable by providing them with a way to find and access the places they need to get to in campus.
