

## Why U-Friends®?

**Have you ever had lunch alone? Do you want to meet more people on your courses? Find your perfect study partner? We have an app for you!**

- About 1 out of 4 students in Beauchef have lunch alone at least once a week
- 2 out of 5 students declare not knowing how to start a conversation with new classmates
- Most students find it difficult to meet new study groups when their friends are not in the same class.

## Project Overview

- **U-Friends®** is a mobile application that allows you to connect with people in campus.
- You can find people with similar interests as you and even on your same courses!
- **U-Friends®** is the easiest way to socialize with other students in Beauchef!

## Personalize your profile!

- Add your hobbies, current courses and engineering speciality!
- You can choose between different interaction categories: social, study or dates
- Do you want to have lunch? Hang out? Study? Find love? Just choose your category and start meeting new people.
- **U-Friends®** will show you people in the same category as you. If both have the same interests, you can connect and arrange a meeting.

## Benefits

- You can create study groups, improving your academic performance and getting more free time.
- Meeting new people who share the same interests as you can drastically enhance your mood.
- Get a better life quality by having casual or serious conversations about the things you like.
- You can even find your soulmate and start living a life together!

## Testimonies

“Before using U-Friends I didn’t know anyone in my courses, now I have many people to study with and we even hang out together in our free time between classes”

-Bárbara, 22, Physics

“My first year in speciality was very difficult, I didn’t know how to approach to other students. Luckily I tried U-Friends and everything was so easy! I didn’t imagine there were so many people with the same interests as me,”

-Felipe, 20, Industrial Engineer

U-Friends is the simplest and the easiest way to get to know people around you. **No stress, no pressure!**

## About us

We are a group of students deeply concerned by our community and its mental health. That's why we are launching **U-Friends®**: to improve the life quality and social interactions between Beauchef students.
