

START FELLOWSHIP

EMPOWERING ENTREPRENEURS GLOBALLY

START
FELLOWSHIP

ABOUT THE PROJECT

START Fellowship is a **student-run incubator and accelerator program** aimed at empowering young entrepreneurs from low- and middle- income countries through an **interdisciplinary program**. We strive for a world of equal opportunities for entrepreneurs. Regardless of their background, young founders should be empowered and have the resources to put **their ideas into reality**. To achieve this we connect our participants with the **European startup ecosystem** over a period of 4 month and provide them with multiple **opportunities to accelerate their startups**.

100+ Mentors **3.92 M** USD raised **33%** Women **88** Founders **150+** Partners
